

Made in Yorkshire Show Programme 2017-Application Questionnaire

Application questionnaire to be completed by ALL new Exhibitors & those wishing to update their details.

New applications for registration & access to the Made in Yorkshire Show Programme will only be considered if this questionnaire is completed & returned together with samples of recent work plus two photographs which will be retained on file. Ideally the photographs will be one of you at work & one of your finished product/s. Where there is any doubt as to the suitability of a business or if samples are too large to send an assessment, a visit can be arranged. Acceptance will be determined by the following criteria:

A finished product with a creative bias where the design has been initiated by a business based within the Yorkshire County boundaries. Only designer makers are eligible for registration.
